Study Scheme of Major Program

- Each program has its own study scheme, which outlines the recommended course pattern.
- It is highly recommended that students thoroughly review the study scheme and **follow the suggested course sequence** (refer to Recommended Course Pattern in the study scheme), as the school schedules courses based on these recommendations.
- The study scheme may be updated from time to time. For the most current information, please refer to <https://registry.cuhk.edu.cn/en/page/22>.

Course Add/Drop

During the Add/Drop period (first **two weeks** of the regular terms).

Students should check their schedule timely and **add/drop course(s) in time if needed**.

Course Add (SIS)

- Students who are **unable to enroll in certain course on SIS by themselves** due to the course enrollment rules should approach the **Course Offering School** to obtain approval by submitting course add application via **SIS (Personal Center > My Application > Normal Addition)**
- Generally, the latest unofficial transcript is required. Additional materials might be required for certain courses. For specific requirements, please consult the Course offering School.

Course Drop (SIS)

- If a student's course withdrawal request is rejected by the system, it could be attributed to
 - a) the student's total enrolled units do not fulfill the requirement of the minimum course load; or
 - b) after dropping the course, the total enrolled units do not fulfill the requirement of the minimum course load; or
 - c) the course is not allowed to be dropped by students without prior permission of the School.
- In Term 1 of an Academic Year, Year 1 students are not allowed to withdraw from some School Required courses. Year 1 students need to submit Course Drop Application to get approval from their Home School, while students of Year 2 and above need to get approval from the Course Offering School.
- Students may refer to the list of courses that are not allowed to drop sent by Registry Office via email.

Course Late Add/Drop

Late course add/drop will only be approved with very special reasons beyond students' control.

Failure to observe the add/drop schedule or negligence in checking final course enrolment results will not be accepted as reasons for late add.

Approval Flow: School of Major/Minor Program → Registry Office

Declare/Change of Major

Type	Timing for apply
Major Declaration / Stream Declaration for FE *	In the summer break after Year-1 study
Change of Major (within the schools)*	In May-June every year
Change of Major (across the schools) *	In July every year

* The application process is open once a year. If you miss the application period, you will need to wait until the following year to apply.

Criteria for Change of Major (Across Schools):

1. **Course Performance:** The student has completed **at least 6 units of courses with an average grade of no less than B-** that would count towards the major requirements of the intended program; or
2. **Admission Score:** The student's admission score must be **higher than that of the student in the lowest decile** who was successfully admitted to the program in the same province and year that the student was first admitted to the university; or
3. **Cumulative GPA:** The student has attained **a cumulative GPA of 3.0 or above** in the current academic year.

Final Approval:

All applications are subject to the final review and approval of the school.

Undergraduate Student Teaching Fellows (USTFs)

Role Overview: USTFs serve as teaching assistants for courses, selected from a group of elite students who excel in the intended course.

General Requirements for USTFs:

1. **cGPA ≥ 3.4**
2. **Strong Performance in the Course:** Typically, an 'A' grade is required.
3. **English Proficiency:** At least a B+ grade in one of their English courses.

Recruitment Process: For USTF recruitment, school will generate a list of USTF candidates for needed courses based on the requirements at the beginning of a term and then send invitations to the candidates. Number of USTFs will be dependent on courses' need. Students who had sent email of self-recommendation and qualified will be considered first when recruiting USTFs. Please note that usually schools will only invite students from their own schools unless recommendation is received from a course instructor. The final USTFs list will be decided by SDS TA committee.
